

## ADMINISTRATOR CONTRACT AND CONTRACT NONRENEWAL

The length of the contract for employment between an administrator and the board shall be determined by the board and stated in the contract, but shall not exceed three years. The contract shall also state the terms of the employment.

The first three years of a contract issued to a newly employed administrator shall be considered a probationary period. In the event of termination of a probationary or nonprobationary contract, the board shall follow applicable state statutes.

Administrators whose contracts will be recommended for termination, amendment or nonrenewal by the board will receive notice prior to April 15. The superintendent shall make a recommendation to the board for the termination of the administrator's contract.

The contract period shall be from August 1 through June 30 (200 days). Sick and personal leave provisions shall be the same as those set for teachers. Professional leave shall be arranged with the Superintendent.

It shall be the responsibility of the superintendent to create a contract for each administrative position.

Administrators who wish to resign, to be released from a contract, or to retire, must comply with board personnel policies regarding the areas of resignation, release or retirement.
