

STUDENT CONDUCT

The board believes inappropriate student conduct causes serious disruption to the learning environment, interferes with the rights of others, and threatens the health and safety of students, employees and the public. The Superintendent and staff will develop and implement age-appropriate student codes of conduct to facilitate the educational process.

Students shall conduct themselves in a manner fitting to their age level and maturity and with respect and consideration for the rights of others while on school district property or on property within the jurisdiction of the school district. This policy will also apply while on school owned, operated or chartered transportation; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and educational processes of the school district.

Students who violate this policy and the administrative regulations supporting it will be subject to disciplinary measures including, but not limited to, removal from the classroom, detention, suspension, probation and expulsion.

Student discipline rules will be included in the student handbook, and a parent/guardian will sign and promptly return an acknowledgement of receipt of the handbook which specifically mentions the student code of conduct.
