

TEXTBOOK LOANS TO CHILDREN ENROLLED IN PRIVATE SCHOOLS

The superintendent of schools with the cooperation of the school district's principals will administer the textbook loans to resident children enrolled in private schools in Nebraska.

The district of will annually generate a list of textbooks designated for use in the schools. This will be done by December 1 of each year. The list of textbooks will be available in the superintendent's office. Copies of the textbook list will be made available to the public at the actual cost of duplicating the list in whole or in part.

The last day for receiving applications for textbook loans from parents or legal guardians residing within the school district for use during the following school year is January 15 of each year. A limit of 10 textbooks per student in grades K-6 and 8 textbooks per student in grades 7-12 has been established by NDE.

The district will make available to all eligible parties textbooks valued at no more than the total dollars allocated to the district by the State Department of Education. If the parental request exceeds the allocated dollars requests for textbooks used by elementary students will be given first priority. If the parental request for textbooks from parents representing resident elementary students exceeds allocated dollars, textbooks being used in the lower elementary will be given priority.

Parental requests will be filled on an ascending K-12 grade by grade basis. The total school district outlay in dollars will never exceed the allocation that the district is eligible to receive from the State Department of Education.

Ten days prior to the beginning of the district classes, the administration will notify parents or guardians in writing where and when textbooks will be available. Parents or legal guardians receiving textbooks will be required to sign a receipt at the time the textbooks are picked up on designated Form NDE 122-002. Parents or legal guardians shall return textbooks to the designated individual within the local school district within 15 days after the close of the school year. All textbooks are to be returned in reasonably good condition. Lost or damaged books will require that the parent or legal guardian reimburse the district for replacement costs.

It is important to understand that a textbook shall be defined to mean a "book which is designated for use in the classroom as the principal source of study in kindergarten through grade 12 in a public school district." Library books, workbooks, etc. are not eligible material for the definition of "textbook."
