

CLASS SIZE - CLASS GROUPING

It shall be within the sole discretion of the board to determine the size of classes and to determine whether class grouping shall take place. The board shall review the class sizes annually.

It shall be the responsibility of the superintendent to make a recommendation to the board on class size based upon the financial condition of the school district, the qualifications of and number of certificated employees, and other factors deemed relevant to the board.

A class size of 25 to 1 (or less) will be maintained whenever possible. Class size may be larger when the need arises, especially in self-contained elementary classrooms.
