## **Pleasanton School Board Resolution to Oppose the Nebraska Department of Education's Proposed Health Standards**

- *BE IT RESOLVED BY THE BOARD OF EDUCATION OF SCHOOL DISTRICT NO. 10-0105 IN THE STATE OF NEBRASKA AS FOLLOWS:*
- *Section 1. The Board of Education (the "Board") hereby makes the following findings and determinations:*
- *(a) Parents and guardians are the primary educators of their own children, especially in matters of faith and morals, including sex education; and*
- *(b) The school district is to support and assist the education of children, not to replace the parent; and*
- *(c) The Nebraska Department of Education has proposed Health Education Standards which could infringe on parents' role as primary educators of their own children; and*
- *(d) Parents in this District have voiced their concerns over some of the proposed Standards, making it clear that they do not intend to relinquish their role as primary educators of their own children; and*
- *(e) Parents who support some or all of the proposed Health Education Standards have every right and every opportunity to avail themselves of any and all educational material necessary to educate their own children in a manner consistent with the proposed Health Education Standards from the Nebraska Department of Education, and their right and ability to do so is not adversely affected by this District's decision to decline the adoption of the proposed Health Education Standards.*
- *Section 2. The Board hereby directs and determines that the District will not adopt or utilize the Health Education Standards proposed by the Nebraska Department of Education. The District will make its own determinations regarding the content of its health education curriculum.*
- *RESOLVED on this 10th day of August, 2021*
