

## **Transcript Request:**

End of the school year. Sending college transcripts to your college -

Hey everyone, Mostly parents,

I don't have personal emails of the students, so if you could forward this to your kids or just have them do this, I would appreciate it.

I will mail you final high school transcripts once all the grades are run/stored. I am still waiting on the CNA class some kids took. I will also mail your final high school transcript to the colleges you told me you were going to. \*\*\*If that changes over the summer, let me know, so I can get the final hs transcript sent to the new school. You can always request a transcript to be sent somewhere here on the school's website under counselor's corner.

### **\*\*IMPORTANT\*\***

You need to request transcripts from your colleges you attended to be sent to the college you are attending.

Examples:

You took classes from Peru and CCC - you need the Peru transcript sent to CCC.

If you only took classes from CCC and you are going to CCC, you don't need to do anything.

If you are going to UNL and you took classes from Peru, CCC, Wesleyan, and NCTA - you need to have transcripts sent from all 4 schools to UNL.

You are going to NCTA and took classes through CCC, you need to have that one sent to Curtis.

\*\*Your colleges will want the transcript sent from the school. Most will not let you make copies and give it to them.
