

Hello Parents and Guardians,

I would like to thank you for such a great year so far. In music class, we've been playing games, writing our own songs, and even learning how to play instruments! Your children have been having such a great time in music class this semester, and I wish it wouldn't end! You may have already heard your children talk to you about certain games or songs that they've sung in class that they really enjoy. If you would like, I am able to make recordings of these songs and games to send home! I can do this electronically via email, or if this is not an option, I can potentially burn CDs to send home. I can make recordings of the songs with accompaniment, instructional videos to re-teach your children, or yourself if you're interested, or recordings of how to play the game. If you would like recordings of any of these things, please email me at brgibbons@pleasantonbulldogs.org . Once again, thanks for such a great year so far, and I can't wait until we can have our music class once again!

Sincerely,

Mr. Brendon Gibbons
Director of Music
Pleasanton Public Schools
